"THE HEAVENS ARE DECLARING"

--by Beethoven

The heav'ns are declaring the Lord's endless glory
Thro' all the earth His praise is found.
The seas re-echo the marvelous story,
O man, repeat that glorious sound!
The starry host He orders and measures,
He fills the morning's golden springs.
He wakes the sun from his night-curtained slumbers;
O man, adore the King of Kings.

What power and splendor, and wisdom and order,
In nature's mighty plan unroll'd!
Thro' space and time to infinity's border,
What wonders vast and manifold!
The earth is His and the heav'ns o'er it bending,
He is, and will be, thro' ages unending,
A god of strength and love untold.

WELCOME

Our cordial welcome to you, Dr. William Owen Carver! One of you students, Bette King, has already introduced you to us as a champion in the field of missions.

Dr. Carver has been the teacher of several thousands of ministers at the Southern Baptist Theological Seminary of Louisville, Ky. He is the author of numerous books on Biblical, missionary, and philosophical subjects. He has come to Rohwer to visit his grandchildren, Betsy and Bill Garrott.

We are happy to have with us, leaders of national organizations who are conducting the Rohwer Recreation Institute. We appreciate your help and cooperation in leadership training for our young people of this center. SUNDAY SCHOOL TEACHERS will please meet this coming FRI., OCT. 27, and SAT. OCT. 28, at 7:30 p.m. in the church to take advantage of this splendid opportunity.

INTER-FAITH MEETING

Slated for tonight is the long-awaited interfaith meeting between the young Christians and the Young Buddhist Association.

A unique, entertaining evening is promised by the arrangements committee. Patterned after the radio's erudite "Information, Please" program, tonight's meeting will be titled "Information, Maybe" and will feature a panel of experts composed of Masao Wakai (YBA president), Dr. Nat Griswold (CA supervisor), Mrs. Mataileen Ramsdell (high school teacher), Bean Takeda (Outpost columnist), and a member of the visiting Recreation Institute team.

Members of the audience will be asked to shoot questions on the general topic, "Nisei and Post-War America," and the experts will be expected to answer them.

An interesting and an altogether entertaining time is expected to result when the panel of experts attempt to answer some of the questions put to them by the audience.

The time is 7:30 p.m., and the meeting place will be either Mess Hall 35 or PS Hall 28, the definite locale to be announced at this morning's service.

Everybody is not only invited, but urged to attend. Come and bring your friends and watch the experts be embarrassed.

THANK YOU!

Mrs. Y. Murakami, to church, in honor of daughter, Yaye, recently married to Pvt. Hatsuichi Hashiba, Jackson, Miss.
